KINDERGARTEN ORIENTATION PROGRAM 2019

Dear parents and carers

Thank you for your interest in enrolling your child at Mittagong Public School. I look forward to meeting you and your child and working with you as partners in education.

We are once again running our “Kindergarten Orientation” program. The aim is to give children starting Kindergarten in 2019 a positive start to school life. The children will spend time in the Kindergarten classes over three Wednesday mornings. They will spend time with this year’s senior students who may become their buddy next year. This will help your child to know a familiar and friendly face, the teachers and to get a feel for ‘big school’.

We encourage students to attend the orientation sessions. We recommend parents attend the first session. This will be an information session in the hall. The following two sessions will be for children only and parents will be required to sign their children in the Kindergarten classroom and then return to pick them up by 11:00am on the day.

All sessions begin at 9:30am and conclude by 10:50am.

Session One Wednesday 24 October	Session Two Wednesday 31 October	Session Three Wednesday 7 November

Parents will visit the hall for an information session about the school, enrolment procedures and learn about other services the school has to offer.

You will also have the opportunity to meet the Principal and other relevant staff. Tea and coffee will be provided during this time to allow for any questions you may have. The session will conclude at 10:50am where parents will collect children from the Kindergarten classrooms. Children will be provided with fruit refreshment during their visits. ***Please inform the school if your child has any allergies.***
