

25 September 2018

SCHOOLS' ENVIRONMENT DAY

Dear Parents/Carers,

Year 5 students will attend a Schools' Environment Day on Tuesday 23 October, 2018 at Lake Alexandra.

We will leave school and walk to the lake at 9:15am and return at around 2:00pm.

This is an excellent day organised by the Wingecarribee Shire Council and involves active participation in activities provided by local environmental organisations such as the WSC Resource Recovery Centre, the Rural Fire Service and the Wollongong Botanic Gardens.

Our students are asked to bring a packed recess and lunch and a drink to last the whole day.

Year 5 students are also required to wear their full school uniform and **must have a hat.**

Teachers accompanying student are Mrs Small and Mrs Fisher.

Both have First Aid and CPR training.

There is no cost for this excursion.

Mr D Christodouloupoulos

Acting Assistant Principal

Stage III

Mr Mansfield

Principal

Please sign the permission slip below and return to the classroom teachers by Wednesday 17 October 2018
